

## **Mission**

*We work to prevent suicide through education, awareness, and partnership with our community.*

## **Vision**

*An informed and responsive community that actively works to prevent suicide and to bring hope and support to those affected by suicide.*

## **Values**

### **Outcomes**

*We leverage and promote outcomes-driven approaches for suicide prevention in Franklin County.*

### **Research**

*We ground our work in research and we implement best-practices.*

### **Responsible**

*We are responsible stewards of Franklin County Suicide Prevention Coalition investments.*

*We are authentic in fostering relationships that are founded in respect and reliability.*

### **Strengths-Based**

*We recognize and seek to mobilize the individual and collective strengths in our community.*

### **Communication**

*We recognize the value of the words we chose.*

### **Collaboration**

*Through collaboration, we seek and embrace multiple perspectives.*

*We believe that collaborative efforts lead to better results than isolated efforts.*

### **Knowledge**

*We are committed to life-long learning and strive for continuous improvement.*
