- **SECURE** your firearms when not in use.
- Be **AWARE** of those around you who should not have unsupervised access to guns (children, teens, those with mental health concerns).
- **FOCUS** on your responsibility as a gun owner.
- **EDUCATE** children and teens about what to do if they find a gun, inside or outside the home.

Unloaded firearms should be stored in a locked cabinet, safe, gun vault or storage case that children cannot reach. Hiding a gun in a closet, drawer or on a high shelf is not safe storage.
